LOGNOTE -- Chief, Operations Group, 5 July 1984

2. [] Following from this morning's staff meeting:

25X1

- The National Capitol Planning Commission has approved plans for the new Headquarters Building! A visitors center will be opened on route 123, near the main entrance. A day care center is also under consideration but has run into [] []

225X1

- The unit citation for Nicosia Bureau should be ready any day now; for some reason [] already thinks he has it. []

25X1

- Much discussion at S&T over the "Secretary of the Year" award program. Fears of the secretaries expressed that the program will turn out to be "political." Additional award for each office proposed. Some sort of "strawman" plan will be circulated; beginning to sound very complicated. []

25X1

- []

25X1

- The 1986 program is back from the Comptroller. We should have notification soon.

- The FBIS annual review with DDS&T will be in late August. We should be receiving guidance shortly. []
